HOMOLOGATION

N.B. 97/24/CE and **2006/120/CE** directives are respected if you keep the original catalyst or if you mount a Spark homologated system with catalyst. For some products, catalyst is available as spare part.

N.B. European homologation is effective for specified vehicle types only

Spark homologated product includes the catalyst

Spark homologated product without catalyst (you keep the original one)

Spark homologated product without catalyst (old homologation or spare part)
